Office of the Legislative Counsel

Monday - 13 July 1959

1. Discussed with [redacted] Office of Personnel, the status of S. 2162, the Federal Employees Health Insurance Act of 1959. [redacted] had noted in the WASHINGTON POST that this bill is expected to be reported out of the Committee within the next few legislative days. Information received by him from Mutual of Omaha representatives, however, indicated that the bill would not pass this Congress. Present consideration of the Office of Personnel is to wait and see what happens and upon passage by the Senate to meet with Mr. Lawton of the Civil Service Commission for consideration of the Senate version.
